CONFIRMED.

(Signed) T. HISLOP,

It appears from the evidence adduced on the trial of Private Paria Gurpah of the 1st Battalion 25th Regiment N. I. that the Prisoner, when posted as a Sentry, was permitted to unfix his Bayonet, and lay aside his Musket.

Ordered, that the following Extract from the Honorable Company's

pany's General Letter in the Military Department, under date the 4th February 1818, be published in General Orders.

"We, therefore, authorize, and direct you, to appoint a Subaltern Officer, in each Battalion of Native Infantry, to be Interpreter of the Hindoostanee Language to that Battalion, who is also to perform the duties of Quarter Master of the Battalion, with the same Staff Salary as we in our Military Letter of the 5th May 1815, fixed for the Adjutants of Native Battalions, that is

"The means of acquiring this Language, are now much facilitated,

facilitated, and it is so obviously both the duty and the interest of all our Servants at all the Presidencies to obtain a knowledge of it, that we desire you will hereafter consider a competent acquaintance with it, to be an indispensable qualification, in every Candidate for a Staff appointment."

SENTENCE.—The Court having maturely weighed and considered the evidence brought in support of the prosecution, as well as what the Prisoner, Lieutenant Watson, has urged in his defence, and the evidence in support of the same, is of opinion, that the Prisoner, Lieutenant Watson, is not guilty of the first part of the Charge, viz. "For conduct disgraceful to the character of an Officer and a Gentleman, in being intoxicated on the night of the 13th of February 1818, when Officer of the Day,"---but the Court find the Prisoner, Lieutenant D. Lieutenant D. Watson of the 4th Regiment N. I. is released from arrest, and will return to his duty in that Regiment, in which, in pursuance of the above Sentence, he will rank next below Lieutenant F. Haleman and above Lieutenant J. Metcalfe.

The Commander in Chief in publishing the foregoing Extracts, cannot omit to notice a deviation from the General Orders of the 24th March 1812, on the part of the Court Martial, in having annexed a recommendation in favor of the Prisoner to their Proceedings, instead of making it the subject of a separate Letter—His Excellency regrets that the serious nature of the Charge precludes him from paying that attention to the Court's wishes, which under other circumstances he would have been inclined to evince.

Further Extracts from the Proceedings in continuation of a General Court Martial held at Vizagapatam, on the 16th day of July 1818, by virtue of a warrant from Major General Dyce, conducting the Details of the Army at the Presidency, under the authority of His Excellency Lieutenant General Sir T. SENTENCE.—The Court having maturely weighed and considered the evidence brought in support of the prosecution, as well as what the Prisoner (Lieutenant F. Haleman) has urged in his defence, and the evidence in support of the same, is of opinion that the Prisoner (Lieutenant F. Haleman) is guilty of the 1st Charge, viz. "For unofficer and ungentleman-like conduct, in having submitted to be grossly abused at the Mess Table by Lieutenant D. Watson of the same Battalion, without taking any steps to clear his character."

The Court further is of opinion that the Prisoner (Lieutenant F. Haleman) is guilty of the 2d Charge preferred against him, viz. "For disgraceful conduct, in having on the night of the 4th December 1817, come out of his Bed-room and listened to a conversation passing at the Mess Table, and having the following morning publicly declared that he had done so, and that he had heard what had passed."

The Court having found the Prisoner (Lieutenant F. Haleman) guilty as above stated, doth therefore adjudge him to be placed at the bottom of the List of Lieutenants in his Regiment.

G. Commander in Chief of all the Forces in India, &c. &c. &c. &c. under date the 2d March 1818.

President,—Subadar Shaik Emom, 2d Battalion 1st Regiment Madras Native Infantry.

Officiating Deputy Judge Advocate General,—Captain William Stone, 1st Battalion 1st Madras N. I.

Interpreter,—Lieutenant Campbell, 1st Battalion 1st Regiment Madras N. I.

CHARGES.—Mahobut Khan, Jemadar of the Escort with the British Resident at Nagpoor, placed in arrest, on the following Charges.

1st.—For having not reported himself to Captain Lloyd, whom he was ordered to join in command of a small reinforcement, between the hours of 6 at night and 2 in the morning of the 26th and 27th of November last, in the action at Nagpoor, and not exerting himself as became an Officer, in encouraging the Men in their resistance to the Enemy.

2d.

2d.---For having not been present with the Escort some time after 1 in the morning of the 27th, when Captain Lloyd, his Commanding Officer, was forming a Party for the support of the left of the Division against the Enemy, and which Party marched off without him.

3d.---For having on the morning of the 27th, during the time that the Escort maintained its position on the Hill, quitted his position without orders and placed himself in the rear of a Powder Magazine, contiguous to the rear of the Post; and when the Hill was charged by the Enemy, and the Detachment compelled to retreat, having not advanced his Party to its support, but on the contrary, having been among the first to retreat to the Hill on the Right Flank, thereby defeating the purpose for which he had been posted.

4th.---That in the forenoon of the 27th, when the Troops stormed and retook the Hill from the Enemy, and during the whole of that arduous conflict, he, the Jemadar, was not present with his Corps, or with any other part of the Troops engaged---such conduct being cowardly and infamous, unworthy of a Soldier, and tending to the disgrace of the British Arms.

By order of His Excellency The Most Noble The Commander in Chief.

Head Quarters: Camp, 1st *March* 1818. (Signed) J. NICOL, Adjt. Genl. of the Army.

SENTENCE.—The Court having attentively considered the evidence in support of the prosecution, as well as what the Prisoner has urged in his defence, is of opinion, that the Prisoner, Jemadar Mahobut Khan of the Nagpoor Escort, is "Not Guilty" of the first Charge, viz. "Of not having reported himself to Captain Lloyd, whom he was ordered to join in command of a small reinforcement between the hours of 6 at night and 2 in the morning of the 26th November last, in the action at Nagpoor, and not exerting himself as became an Officer, in encouraging the Men in their resistance to the Enemy," and do therefore acquit him of all and every part of the said Charge.

The Court is of opinion that the Prisoner is "Not Guilty" of the 2d Charge, viz. "For not having been present with the Escort some time after 1 in the morning of the 27th November last, when Captain Lloyd, his Commanding Officer, was forming a Party for the support of the left of the Division against the Enemy, and which marched off without him," and accordingly acquits him of all and every part of the said Charge.

The

The Court is of opinion that the Prisoner is "Guilty" of that part of the 3d Charge which states "That when the Hill was charged by the Enemy on the morning of the 27th November last, not having advanced his Party to its support," but acquits him of every other part of the 3d Charge.

The Court is of opinion that the Prisoner is "Guilty" of the 4th Charge, viz. "That on the forenoon of the 27th, when the Troops stormed and retook the Hill from the Enemy, and during the whole of that arduous conflict, he, the Prisoner, was not present with his Corps or with any other part of the Troops engaged"---and the Court is further of opinion, that such conduct is cowardly and infamous, unworthy of a Soldier, and tending to bring disgrace on the British Arms.

The Court having found the Prisoner in part guilty of the 3d Charge and of the whole of the 4th Charge, and which being in breach of the Articles of War, do sentence him to be dismissed the service and declared unworthy of serving the Honorable Company in any military capacity whatsoever.

The X mark of SHAIK EMOM, Subadar,
and President.

(Signed) W. STONE, Captain,
and Officg. Deputy Judge Advocate Genl.

That part of the Sentence which directs the dismissal of Jemadar Mahobut Khan from the Honorable Company's Service, is approved and confirmed; But the declaration that the Prisoner is unworthy to be employed in any military capacity whatever, is considered beyond the competency of the Court, as it would unduly limit the judgment of Government, and is therefore not confirmed.

Several

Several instances having recently occurred of the transmission to Head Quarters of Recommendation Certificates for the promotion of Native Officers, in which the reasons for departing from the Regulations prescribing attention to seniority in the selections for promotion have either been altogether omitted to be mentioned, or when stated have proved very unsatisfactory.--The Commander in Chief finds it necessary to call the particular attention of Officers forwarding such documents to this point. In cases where it may be deemed proper to set aside the claim of seniority, a full and explicit statement of the cause, together with the grounds on which a junior may be selected for promotion, is to be made at the foot of the Certificate, to enable His Excellency to form his own judgment on the subject.

The Commander in Chief is further pleased to declare, that he does not consider the spirit of the Regulation which appears to impede the priority of claim to promotion in their respective Ranks to the Havildar Major, Drill Havildar and Drill Naigue, as in the least degree affecting the superior claims which in many cases the other Non-commissioned Officers of the Corps may have justly established for themselves by long and faithful services; and His Excellency therefore directs, that seniority shall only be set aside when the general character and conduct of the Individual shall be such as to render it necessary and expedient for the good of the Service.

Lieutenant Smart of the 1st Battalion 9th Regiment, doing duty with Rifle Corps, will proceed to join his Corps.

Lieutenant Clemons of the 1st Battalion 9th Regiment, doing duty with 1st Battalion 3d Regiment or P. L. I. will proceed and join his Corps.

Serjeants Anthony Roberts and Andrew Murray of Effective Supernumeraries, are appointed, the former Serjeant Major and the latter Quarter Master Serjeant to the Cavalry Recruiting Depôt.

The following Extract from the confirmed Proceedings of a Native General Court Martial held at Trichinopoly, on the 10th day of June 1818, by order of Colonel Dighton, Commanding the Southern Division of the Army, under the authority of His Excellency the Commander in Chief, and of which Subadar Mahomed Saib of the 4th Native Veteran Battalion, is President are published to the Army.

BY ORDER. (Signed) T. H. S. CONWAY, Adjutant General of the Army.

OPINION AND SENTENCE.—The Court having maturely weighed and considered all that has appeared before it in support of the prosecution, as well as what the Prisoner has urged in his defence, is of opinion that he is not guilty to the full extent of the 1st Charge set forth against him, and does therefore acquit him of the same---But the Court finds the Prisoner guilty of being in a state of intoxication and of thus appearing before the Sepoys of his Company, thereby shewing them a bad example.

HEAD QUARTERS: CHOULTRY PLAIN, 1st *September* 1818.

G. O. BY THE COMMANDER IN CHIEF.

The Commander in Chief publishes to the Army the annexed General Order by His Excellency The Most Noble The Governor General.

General Order, by His Excellency the Governor General.

GORRUCKPORE, 18*th June* 1818.

The Service within the Nagpore Territory having been closed by the reduction of the Fortresses of Mundelah and Chandah, the Governor General has infinite pleasure in professing his acknowledgments to Major General Marshall and to Lieutenant Colonel Adams, under whose able management the captures were respectively effected.

The difficulties which Major General Marshall had to encounter in getting forward his Battering Train, through a Country singularly rough and wholly devoid of roads, were such as, notwithstanding the indefatigable efforts of Captain Case, and of the Ordnance Department under Acting Deputy Commissary Donald, could not have been surmounted by ordinary means. Nothing could have overcome the obstacles but the admirable zeal which appears to have pervaded every branch of the Division. The Sepoys deserve the highest encomiums for their patient and protracted labor in dragging the Artillery and Waggons up the rocky steeps; and the Governor General desires that his warm praise may be communicated to them: but it is obvious that their cheerful perseverance in such severe toil could only flow from the cordial confidence subsisting between their Officers and them—

To

To the Officers, therefore, His Lordship directs it to be explained, that from an effect so beneficial to the public service, he knows how to appreciate justly the habitual tenor of their behaviour towards their Men; for which he offers them his applause and thanks.

The conduct of the siege by the principal Engineer Captain Tickell was marked with the same science and judgment observable at Dhamonnie, and does great credit to the professional skill of that Officer. The high terms in which Major General Marshall represents the exertions of Captain Tickell, as well as those of Lieutenants Pecket and Cheape, Ensigns Colvin and Irvine, and Cadet Warlow of the same Corps, are amply justified by the circumstances attending the fall of the Fort.

The gallant manner in which Brigadier General Watson led the assault, and dislodged the rallying Enemy from various parts of the Town, reflects great honor upon him, and must have materially influenced the success of the attack.

Major O'Brien, in procuring information on which to ground the plan for investing the place, manifested a judicious activity extremely useful.

The zeal and intrepidity of Lieutenant Pickersgill, Deputy Assistant Quarter Master General, in reconnoitring the breach, will remain duly impressed on the Governor General's memory. His Lordship has further to be mindful of the unwearied assistance which Major General Marshall states himself to have received from Captain Watson, Assistant Adjutant General, and from Captain James, Deputy Assistant Adjutant General to the Division.

No exposition of the meritorious service of the Storming Column, nor any proof of the energy of Brigadier Dewar who commanded it, with Majors Midwinter and Thomas under him, can be requisite beyond the fact of its complete success. Lieutenants Lewis and Aitchison with a small Party of Pioneers and a few Men of the 1st Battalion 14th Native Infantry, had the pride of accompanying Brigadier General Watson through the breach, and were eagerly supported by Captain D'Aguilar with a Detachment of the 13th Native Infantry.

In reflecting on this triumph, the speedy prostration of the Enemy's defences, whence the Storm became practicable, exhibits conspicuously the merits of Major Hetzler, Captain Lindsay, and the other Officers and Men of the Artillery. The service rendered by Major Hetzler is highly estimated by the Governor General.

Where every Man whose station gave him the opportunity of taking a special part is stated to have distinguished himself, the Governor General could not without going into a too minute

detail

detail express his opinion of every Officer particularized by Major General Marshall; therefore, he must content himself with saying, that he confirms and echoes the praise bestowed on the several Individuals or Corps in the Division Order of Major General Marshall on the occasion.

In adding the reduction of Dhamonnie and Mundelah to that of Hattrass, all achieved with little loss, Major General Marshall has evinced how judiciously he applies the principles of art in sieges; a branch perhaps the most scientific in the Military profession.

The skill with which Lieutenant Colonel Adams made a scanty supply of heavy Ordnance suffice for the capture of a strong Fortress, powerfully garrisoned, fitly crowns the conduct that had distinguished him during antecedent operations. The vigorous decision with which he had previously given a blow to the Army of Bajee Row, productive of irremediable distress and despondency in that Force, is not more to be admired than the judgment visible in the attack of Chandah. The gallantry of the Officers and Men serving under him has well seconded the ability of their Leader.

Lieutenant Colonel Scott, of the Madras Establishment, who guided the assault, displayed a courage no less calmly capable of perceiving and securing every advantage, than it was brilliant. His success demonstrates how judiciously his valor was applied. He appears to have been worthily supported by the intrepidity of Lieutenant Colonel Popham and Captain Brook, who led the right and left columns of attack. In noticing this part of the day's achievement, the Governor General should not forget the animated exertions of Lieutenants Bevan and Fell, (Commanding the Pioneers), or the zeal of Lieutenant Hull, who volunteered to lead the Bengal Grenadiers; nor can he omit noticing the strenuous bravery with which Captain Charlesworth, Lieutenant Casement and Lieutenant Watson (all wounded on the occasion,) contributed to the fortune of the day.

The rapid demolition of the Enemy's defences and the speed with which a breach was effected, would sufficiently testify the science of Lieutenant Anderson, Field Engineer, and of Lieutenant Crawford of the Bengal Artillery, acting as Engineer, in indicating the positions for the Batteries, even had not Lieutenant Colonel Adams professed his obligations to those Officers so warmly.

It is distressing that Major Goreham has not survived to enjoy the just reputation which his eminent merit in the command of the Artillery challenged for him: Yet, if he sank under his too earnest exertions, he bore with him to the tomb the universal admiration of the Army, and his name will long be quoted to excite similar

energy

energy in others. Captain Rodber, Captain Macdowell, Captain Mackintosh, and Lieutenant Walcott, seem to have highly deserved the praise which their Commander bestows upon them. Indeed, the efforts of all the Officers and Men of the Artillery appear to have been proudly laudable; and in particular the successful attempt of Lieutenants Poggenpohl and Hunter, to get one of the guns of the Horse Artillery over the breach, exhibits a spirit and resource of superior tone.

The number of those who would be justified by their behaviour on this occasion to prefer a claim for separate acknowledgments, lays the Governor General under the same impossibility of particularizing every body, which existed with regard to Mundelah: But His Lordship must notice that Major Clarke stands with his usual prominence of distinction; and that special praise is due to Captain Scott, officiating Assistant Adjutant General, and to Captain Sandys, Deputy Assistant Quarter Master General, the latter of whom attached himself to the head of the Storming Column.

In fine, the reduction of the two Fortresses splendidly terminated a Campaign of no ordinary exertion; leaving the Commanders and their Troops with augmented title to that approbation from Government which it is the purpose of this Order to proclaim.

By order of His Excellency The Most Noble The Governor General.

(Signed) J. ADAM,

SEC. TO THE GOV. GEN.

Lieutenant General Sir Thomas Hislop is confident that the feelings of pride and gratification which the perusal of the above General Order has awakened in His Excellency's breast, will be fully participated by every Officer and Soldier of the Army. The gallantry and prowess of the Madras Troops during the late eventful Campaign have frequently called forth the praise and admiration of The Commander in Chief, but the display of those qualities in this instance has added a brilliant page to the record of their achievements, since it has elicited the applause and thanks of the Supreme Authority in India.

Corporal Henry Mogg of the Madras European Regiment, is removed to the Effective Supernumeraries as Private.

Private William Brady of Effective Supernumeraries, is promoted to Serjeant, and placed under the orders of the Superintendent of the Powder Manufactory.

Officers Commanding Corps are directed to prepare and forward to the Military Board, Indents for such Arms, Accoutrements, and Small Stores, as may be necessary to complete their Battalions to the establishment fixed by Government in General Orders of the 6th July last.

The Commander in Chief directs, that Officers Commanding Corps will at all times consider it their duty to keep the Second Dressers of Regiments and Battalions complete, by entertaining *Natives* of cast, and respectability. It is of essential consequence to the comfort of the Native Troops and their Families, that the Second Dresser of a Corps should not only be a Man of respectable cast and character, but that he should be well qualified to give medical aid to the Followers and Families of a Corps; the Commander in Chief therefore directs, that pre-

viously

viously to any such person being enrolled on the strength of a Corps, that he be examined by the Medical Officer in charge of it, and if found qualified in every respect, the Medical Officer will report the same to the Officer Commanding the Corps, who, on such written Certificate (to be countersigned if possible by the Superintending or Staff Surgeon) will entertain the candidate and place him on the strength of the Corps.

It is to be understood, that a Second Dresser being returned and mustered on the strength of a Corps, his register is to be kept in like manner as that of the Men, and that he cannot be removed, or discharged, without the sanction and orders of the Commander in Chief.

The importance of fixing Second Dressers permanently with Corps, who know the Families of the Native Officers and Men, and in whom they have confidence, renders it essential that no removal shall ever be recommended unless on most urgent and peculiar reasons.

The Commander in Chief further directs, that Commanding Officers of Corps will see that the Second Dressers of Corps apply themselves to the duties for which they are chiefly provided, and that they are not employed in any but professional duties and pursuits.

It having been brought to the notice of the Commander in Chief, that Soldiers are in the habit of passing through the French Territories, and that in some instances, from ignorance of the local Police Regulations, have been guilty of irregularities, His Excellency deems it expedient to prohibit all Soldiers, European and Native, from entering Pondicherry or its dependencies, unless furnished with a Passport from the British Commissioner, to be applied for by Commanding Officers only on the most urgent occasions; and this Order is to be particularly explained to all Guards, Recruiting Parties, Escorts, and Men proceeding on leave, previous to quitting their respective Corps or Stations.

G. O. BY THE COMMANDER IN CHIEF.

The following Extract from G. O. issued by The Most Noble The Commander in Chief in India, is, by His Excellency's orders, published to the Army under this Presidency.

Extract from the Proceedings of a Native General Court Martial assembled at Nagpore on the 23d day of March in the year of our Lord 1818, convened by virtue of a warrant from His Excellency The Most Noble The Marquis of Hastings, K.G. Commander in Chief of all the Forces in India, is assembled this day pursuant to adjournment.

President,—Subadar Shaik Emaum, 2d Battalion 1st Regiment Madras Native Infantry.

Officiating Deputy Judge Advocate General,—Captain W. Stone, 1st Battalion 1st Regiment Madras N. I.

Interpreter,—Lieutenant Campbell, 1st Battalion 1st Regiment M. N. I.

CHARGE.—Peer Mahomed, Fifer in the Escort with the British Resident at Nagpore, confined for Desertion during or shortly after the Action of the 26th and 27th of November 1817, at Nagpore.

By order of His Excellency The Most Noble The Commander in Chief.

HEAD QUARTERS, CAMP, 1st *March* 1818. (Signed) JAMES NICOL, Adjt. General of the Army.

SENTENCE.—The Court having attentively considered the evidence in support of the prosecution, as well as what the Prisoner has urged in his defence, is of opinion that the Prisoner, Peer Mahomed, Fifer in the Nagpore Escort, is guilty of having Deserted during the Action at Nagpore on the 27th November 1817—which being contrary to the Articles of War, prejudicial to the Service, and subversive of all military discipline, do sentence him, the said Peer Mahomed, to receive (900) nine hundred lashes on his bare back, and afterwards to be publicly disgraced in such time and manner, as His Excellency The Most Noble The Commander in Chief may be pleased to direct, and the Court do further sentence him to be dismissed from the Honorable Company's Service.

NOT CONFIRMED.

True Extract.

Remarks by His Excellency The Commander in Chief.

It appears to His Lordship that no attempt was made to disprove the fact asserted by the Prisoner, of his having been taken by the Enemy while he was seeking water to quench his thirst in the deserted Escort Lines; and of his having been detained until the approach of Brigadier General Doveton's Force caused the Enemy to neglect further care of him.—There is no apparent improbability in the fact, nor is it inconsistent with any thing testified by the Witnesses for the prosecution, were it substantiated, it would absolve the Prisoner; therefore, The Commander in Chief is of opinion that, standing unrebutted, the defence should be admitted as freeing the Prisoner from the Charge.

The

The Commander in Chief is perfectly attentive to that collateral knowledge of circumstances which each Member of the Court, sitting in judgment where the transaction took place, was likely to possess, and thence he should be inclined to think the condemnation of the Prisoner essentially just; but to act upon such presumptions would be to deprive a Prisoner of the ulterior security supposed to exist in The Commander in Chief's weighing the Sentence with the quality and amount of testimony adduced on the trial.

The evidence on the Proceedings not being decidedly satisfactory in the present case, His Lordship has not confirmed the Sentence.—Were he to direct the Court to revise it, the transmission of the result of that sitting to such a distance would entail a painfully long addition of confinement to Peer Mahomed, tho' destined to be freed. The Commander in Chief therefore directs, that the Court be dissolved, and that Peer Mahomed be ordered to return to his duty.

By Command.

The following Extracts from the confirmed Proceedings in continuation of a General Court Martial assembled at the Presidency on Friday the 29th day of May 1818, by virtue of a warrant under the hand and seal of His Excellency Lieutenant General Sir Miles Nightingall, K. C. B. Commander in Chief, are published to the Army.

President,—Colonel S. Huskisson, H. M.'s 67th Regiment.

Judge Advocate General,—Captain Vans Kennedy.

CHARGES—Preferred by order of the Right Honorable the Governor in Council against Mr. Assistant Surgeon John Llewellin.

1st.—For disobedience of orders in quitting the Vestal on the 2d Instant, while at anchor below the middle ground, after having been made acquainted by Acting Lieutenant Sawyer that it was necessary he should not be absent from the Vessel as she was on the point of sailing.

2d.—For a dereliction of duty and breach of discipline, in being absent from the Vestal since the second Instant and leaving the Sick unattended, and not having made any communication to the Commander of that Vessel, thereby evincing a marked contempt for the authority of his Commander, and being subversive of every principle of discipline, and shewing a most mischievous example of insubordination.

BOMBAY, 12th June 1818. } (Signed) HENRY MERITON, Superintendent.

BOMBAY, ADJT. GENL.'s OFFICE. 23d May 1818. } By order of the Commander in Chief. (Signed) D. LEIGHTON, Adjt. General of the Army.

SENTENCE.—The Court having maturely weighed and considered all that has been adduced in support of the prosecution,

cution, and what the Prisoner has brought forward on his defence, are of opinion that the Prisoner, Assistant Surgeon John Llewellin, is not guilty of the first Charge, and they do therefore acquit him of all and every part of the same.

The Court are further of opinion that the Prisoner, Assistant Surgeon John Llewellin, is guilty of the first part of the second Charge, but they do acquit him of all the latter part of the said Charge.

The Court having found the Prisoner guilty as above specified, do therefore sentence him to be admonished in such manner as His Excellency the Commander in Chief may think proper.

The Court are further of opinion, that Assistant Surgeon Llewellin's conduct in this instance has proceeded entirely from his having been deprived of his usual accommodations on board the Vestal Cruizer, and of others having been assigned to him perfectly inadequate and unsuitable to an Officer and a Gentleman of his rank and situation, the Cabin now allotted to the Lieutenant of the Vessel and Mr. Llewellin being, in the opinion of the Court, barely sufficient for the accommodation of one person.

The Court cannot forbear expressing their disapprobation of the evasive replies of Mr. Meriton, and further express their surprize that there should appear on his part so little preparation to answer questions which occurred on the Prisoner's defence.

(Signed) V. KENNEDY, Judge Advocate General. (Signed) S. HUSKISSON, Col. and President.

APPROVED AND CONFIRMED.

(Signed) M. NIGHTINGALL, Lieutenant General.

Remarks by the Commander in Chief.

The Commander in Chief has approved and confirmed the above Sentence because it does not clearly appear with respect to the first Charge that any official order was given to the Prisoner not to quit the Vestal, by the Officer who was directed to make that communication to him; but it is nevertheless clearly proved by his own confession, that he did absent himself without leave from the 2d of June to the period of his being placed under arrest; a line of conduct highly reprehensible and deserving the severest censure, it can be owing solely to the wording of the 1st Charge that the Prisoner has been acquitted.

Of the first part of the 2d Charge the Prisoner has been found guilty and sentenced to be admonished, but there is no part of Mr. Assistant Surgeon Llewellin's conduct so deserving of censure,

as

as the highly indecorous and improper letter which that Gentleman ventured to address to Government on the 28th May, which he has also thought proper to place on the Proceedings of the Court as part of his defence, and the Commander in Chief has only to express his regret that such an offensive document did not form part of the Charges exhibited against the Prisoner.

With respect to the observation of the Court on the accommodation which has been recently allotted to the Assistant Surgeon on board the Vestal Cruizer, the Lieutenant General cannot but concur, and he will not fail to bring this subject officially to the notice of Government.

In conclusion, the Commander in Chief deems it an act of justice towards that highly respectable Public Officer, the Superintendent of Marine, to observe that the evidence required from Mr. Meriton not immediately applying to the Charges under investigation, it could not be supposed that he should be prepared to answer questions on points on which he did not expect to be examined; particularly as they related to subjects on which no satisfactory reply could be given except by a reference to papers which Mr. Meriton states he had not brought with him into Court,—the other parts of Mr. Meriton's evidence not applying to matters of fact but merely of opinion, there appears to be no grounds whatever for the remark of the Court, as a Witness is at all times at liberty to answer such questions in the manner in which he may think proper—nor can any Court (without being fully informed of every circumstance) venture with propriety to pass an opinion on the correctness or incorrectness of such evidence.

Assistant Surgeon John Llewellin to be released from arrest, and will return to his duty.

ADJT. GENL.'s OFFICE, PRESIDENCY OF FORT WILLIAM, *30th July* 1818. (Signed) J. NICOL, Adjt. Genl. of the Army.

SENTENCE.—The Court having maturely considered the evidence brought before them, find the Prisoner, Patrick Sullivan, of the Honorable Company's European Regiment, guilty of the Charge of Mutiny preferred against him, and do adjudge him, the said Patrick Sullivan, to be shot to death, at such place, and such time, as His Excellency The Most Noble The Commander in Chief may direct.

APPROVED AND CONFIRMED.

(Signed) HASTINGS.

(True Extract.) (Signed) C. J. DOYLE, Lt. Col. Military Secretary.

Remarks by His Excellency The Commander in Chief.

The Commander in Chief agrees with the Court that there is sufficient proof of the fact on which the Members unanimously recommend the Prisoner, Patrick Sullivan, to mercy; namely, his being subject to occasional fits of insanity in consequence of an injury formerly received in the head, and that doubts might be entertained whether the act had not been committed under the influence of a paroxysm. His Lordship, therefore, remits the Sentence passed upon Patrick Sullivan: But, as it is dangerous that a Man laboring under such a malady should continue in the Regiment, it is hereby directed that Patrick Sullivan be discharged, and that application be made to the Secretary of Government in the Public Department for his being sent out of this Country.

The Court Martial to be dissolved, should there be no further duty for it to perform.

The Prisoner to be released from confinement, but the Officer Commanding in Fort William will place him under such controul as may be necessary to prevent him from doing any mischief, until measures are taken for sending him to England.

BY ORDER.

(Signed) T. H. S. CONWAY, Adjutant General of the Army.

OPINION AND SENTENCE.—The Court after the most mature deliberation on the evidence brought forward in support of the prosecution, as well as what the Prisoner has offered on his defence, is of opinion that the Prisoner, Ramasammy, Jemadar in the second Battalion twenty-second Regiment Native Infantry, is guilty of all and every part of the Charges preferred against him, such conduct being subversive of good order and military discipline, and disgraceful to the character of a Native Commissioned Officer, does adjudge the Prisoner, Ramasammy, Jemadar in the second Battalion twenty-second Regiment Native Infantry, to be suspended from Rank and Pay for the space of (3) three

Ordered that the following Extract from the Honorable Company's General Letter in the Military Department, under date the 23d January 1818, be published in General Orders.

Para. 6. "We direct that the whole of our Arms for the "Infantry shall be browned; and this, we desire, may be "carried into effect in India without delay. Such Arms, as "are hereafter sent out to our several Presidencies, shall be "browned previous to their being shipped."

The Military Board are directed to adopt the necessary measures for having the Arms in use with the Troops, as also those in the several Depôts, browned in the manner enjoined by the Honorable the Court of Directors.

The Military Board will issue instructions to Officers Commanding Divisions relative to the progressive introduction of this system, to the Arms now in use; and the several Commissaries of Divisions or Subsidiary Forces will prepare and transmit to the Military Board Indents for the quantity of materials required in their Divisions, or Forces, respectively, calculated upon the proportions laid down in the following instructions, and with reference to the number of Arms in store and the established strength of each Division of the Army.

The Right Honorable the Governor in Council is further pleased to direct, that an allowance be made to Battalions at the rate of 21 Rupees per quarter, for the purpose of meeting the expense of preserving the colour of the Arms, as required by the present Regulation.

The periodical allowance above alluded to, will not commence until after the expiration of twelve months from the time of the Arms of the respective Battalions being first generally browned, which circumstance must be duly reported by Officers Commanding Corps to the Military Board.

This allowance to be drawn by Quarter Masters and countersigned by Officers Commanding Corps.

Instructions for browning 200 Gun Barrels.

The following Ingredients, viz.

Nitric Acid	One Ounce.
Sweet Spirits of Nitre	One do.
Spirits of Wine	Two do.
Blue Vitriol	Four do.
Tincture of Steel	Two do.

are

are to be mixed together, the Vitriol having been previously dissolved in a sufficient quantity of warm water, to make with the other Ingredients two quarts of mixture, Wine measure.

Previous to commencing the operation of browning the Barrels, it is necessary that they be well smoothed and cleaned from all greasiness and other impurities, and that a plug of wood be put into the muzzle, and the vent well stopped, the mixture is then to be applied with a clean sponge or rag, taking care that every part of the Barrel is covered with the mixture, which must then be exposed to the air for 26 hours, after which exposure the Barrel must be rubbed with a hard brush and rag, or tow, to remove the oxid from the surface —This operation must be performed a second and a third time (if necessary), by which the Barrel will be made of a perfectly brown colour, it must then be well brushed and wiped and immersed in boiling water, in which a small quantity of alkaline matter has been put, in order that the action of the acid upon the Barrel may be destroyed and the impregnation of the water by the acid neutralized.

The Barrel when taken from the water must, after being perfectly dry, be rubbed smooth with a burnisher of hard wood and then heated to about the temperature of boiling water, it will then be ready to receive a varnish made of the following materials (for 200 Barrels).

Spirits of Wine..........	36½ Ounces.
Dragons Blood Powder..	3 Drams.
Shellac bruised.........	1 Ounce.

and after the varnish is perfectly dry upon the Barrel, it must be rubbed with the burnisher to give it a smooth and glossy appearance.

To repair and retain the brown upon the Barrels.

When the Barrel is much rubbed from use, a little Vitriolic Acid may be applied to it, and then it must receive the treatment that Barrels undergo in browning, care being taken to deaden the action of the acid by means of boiling water.

When Brown Barrels are in constant use, the brown might be continually kept perfect by means of the application of Vinegar, which should remain upon the surface for a day and then be washed well with boiling water.

If this operation be repeated monthly, a Barrel which has been properly browned in the first instance will continue in a perfect state for many years.

G. O. By Government.

It having been represented to the Right Honorable the Governor in Council that Cavalry Officers, when permitted to transfer their Chargers to the Ranks, experience much difficulty in obtaining repayment thereof, the following rules are to be observed in future regarding such claims.

The stoppages which are made from Cavalry Officers on the above account are to be recorded in the Regimental Books, specifying by what Paymasters, and from what month's abstracts, the stoppages were made.

When an Officer is permitted to return a Charger to the Ranks, his bill is to be made out for the regulated amount, and to be sent by the party direct to the Accountant General in the Military Pay Department, accompanied by a copy of His Excellency the Commander in Chief's permission to return the Charger;—by a certificate that the Horse has actually been received into the Ranks;—and by a statement shewing to what Paymasters, and in what months, the instalments corresponding in amount with the bill, were paid for the Horse.

On receipt of the above documents, certified by the Officer Commanding the Regiment, the Accountant General is to refer to the accounts of Paymasters, or, if those do not shew the payments, to the abstracts of the Officers, which are lodged in his Office;—and if it shall appear that the stoppages were made from the party, the Accountant General is to transmit the bill and accompanying documents to the Military Auditor General, informing him that the price of the Horse has been fully paid, on which communication the latter is to pass the bill for payment—but if, on the contrary, it shall appear that the whole of the stoppages were not made, the bill is to be returned by the Accountant General to the party, with a letter particularizing the instalments which appear not to have been paid.

Adjt. Genl. of the Army.

SENTENCE.—The Court having maturely weighed and considered all that has been adduced in support of the prosecution, as well as what the Prisoner has brought forward on his defence, are of opinion that the Prisoner, Lieutenant R. White, is guilty of the first of the original and the first of the additional Charges preferred against him; but they are, at the same time of opinion, that he is not guilty of the second of the original and the second of the additional Charges, and they do therefore acquit him of the same.

The Court having found the Prisoner guilty as above specified, do therefore sentence him, the said Lieutenant R. White, to be reprimanded in such manner as His Excellency The Commander in Chief may think proper.

(Signed) J. GRIFFITH, Col. and President.

CONFIRMED.

(Signed) M. NIGHTINGALL,
Lieutenant General.

The Court think it necessary to observe, that they are fully aware that the preceding Sentence is inadequate to the degree of culpability of which the Prisoner has been found guilty; but they have been prevented from passing a severer one in consequence of there being no intermediate punishment between cashiering and a reprimand, which it was in their power to award.

(Signed) J. GRIFFITH, Colonel,
and President.

Remarks by The Commander in Chief.

The Commander in Chief has confirmed, though he cannot approve, a Sentence so entirely inadequate to the Crime. The

Prisoner

Prisoner has been found guilty of disgraceful conduct, highly unbecoming an Officer and a Gentleman, and his conduct has on various occasions been so disgraceful and ungentlemanlike, from his inveterate habits of intoxication, as to render it quite improbable that any reprimand however severe, will prove of the smallest use towards reclaiming a Man so lost to every sense of honorable and gentlemanlike feeling. His Excellency therefore directs, that previous to the Prisoner's release from arrest, he be ordered to pay over the amount of the balance due to the Men of his Company, to the Adjutant of the Corps of Invalids, for the purpose of it's being transmitted to the Fort Adjutant at Tannah, who is to be placed in charge of the Company at that Station so long as Lieutenant White may remain attached to it, who by his unworthy and disgraceful habits has rendered himself totally incapable of such a charge.

Lieutenant R. White, after having paid the amount due to his Company, to the Adjutant of the Native Invalids, to be released from his arrest, and will return to his duty.

The General Court Martial of which Colonel J. Griffith, Artillery, is President, is dissolved.

The following Extracts from the confirmed Proceedings of a Native General Court Martial held in Camp at Poona, on the 4th day of August 1818, by virtue of a warrant under the hand and seal of His Excellency Lieutenant General Sir Miles Nightingall, K.C.B. Remarks by The Commander in Chief.

The Commander in Chief cannot help expressing his regret that Jemadar Shamajee Aaronjee of the 2d Battalion 6th Regiment N. I. should have been brought before a General Court Martial, especially as it appears from the evidence on the part of the prosecution, that there was not the slightest ground for preferring the Charge which was exhibited against him. It is likewise proved, that no previous investigation took place, and that the Jemadar was brought to trial on the mere report of the Native Adjutant, by whom the Jemadar was treated with a degree of harshness not only unnecessary, but highly reprehensible,—had the Commanding Officer of the Battalion paid that strict attention to his duty, which ought always to be observed on similar occasions, the Jemadar would not only not have been brought to public trial, but the respectability of the Corps would have been more becomingly upheld.

Jemadar Shamajee Aaronjee to be released from arrest, and will return to his duty.

The Officer Commanding the Troops in the Deckan will be pleased to dissolve the Native General Court Martial of which Subadar Saul Mahomed, 8th Regiment Madras Light Cavalry, is President.

The following Extract from the confirmed Proceedings of a Native General Court Martial held at Hoobly, on the 30th day of June 1818, by order of Brigadier General Munro, and by virtue of

of a warrant of His Excellency Lieutenant General Sir Thomas Hislop, Bart. &c. &c. and continued by successive adjournments until Monday, the 5th day of October of the same year, and of which Subadar Shaik Mohideen of the 2d Battalion 12th Regiment N. I. is President, are published to the Army.

The Prisoner is arraigned on the following Charges.

CHARGE.—Trevangadum, Private H. Company 2d Battalion 12th Regiment, confined to the Provost Marshal Serjeant's Guard, on the following Charges.

1st.—For deserting from his Corps when on Field Service on the 14th of April 1818, and taking with him his Arms and Accoutrements.

Camp near Hoobly, August 5, 1818. (Signed) T. H. S. CONWAY, Adjt. General of the Army.

OPINION AND SENTENCE.—The Court, after due consideration of the evidence produced in support of the prosecution, as well as what the Prisoner has urged in his defence, is of opinion that he is guilty of the 1st Charge, viz. "Deserting from his Corps when on Field Service, on the 14th of April, and taking with him his Arms and Accoutrements."

On the second Charge the Court finds the Prisoner guilty in an inferior degree, namely, to the extent of having collected money and various articles on a false pretence, but without using threats or violence to obtain them; the Court consequently acquits the Prisoner of "Plundering and marauding after he had deserted."

The instances in which the Prisoner has been found guilty, being to the prejudice of good order and military discipline, the Court doth sentence the said Prisoner, Trevangadum, Sepoy 2d Battalion 12th Regiment, to receive nine hundred (900) lashes on his bare back, with a cat o'nine tails, and afterwards to be drummed out of his Corps with a halter round his neck, at such time and place as His Excellency The Commander in Chief may be pleased to direct. 1. Ordered that the following Extract of a General Letter from the Honorable Company's General Letter in the Military Department, dated 29th April 1818, be published in General Orders.

Para. 4. " We take this opportunity of noticing the " indefinite way in which the advance of Pay usually issued to " Officers proceeding to Europe on furlough, is expressed in the " Pay Certificate furnished to them, leaving it doubtful from " what period such advance has been calculated; and direct that " in future the several months for which the advance is made, " be distinctly stated in the Certificate."
